BIBLE STUDIES

Beth Moore Study – Esther – this in-depth women's Bible study of Esther - a profile in courage - a very personal examination of this great story of threat and deliverance as the layers of history are peeled back and shows how very contemporary and applicable the story of Esther is to our lives today. If you've ever felt inadequate, threatened, or pushed into situations that seemed overpowering, this is the Bible study for you. Just as it was tough being a woman in Esther's day, it's tough today.
